Greetings from the Executive Director

Last year, the CFNEGA set a goal to provide \$40,000 in financial assistance to cancer patients living in our community. I am pleased to inform you that we exceeded our goal! We provided \$40,725.80 in financial assistance to 139 local cancer patients! We are so thankful for your support. Also, the CFNEGA is planning our first special event fundraiser-“Tri to Beat Cancer” Triathlon; August 29, 2010. We need volunteers for the event. Please contact me or visit our website if you are interested in volunteering for this event. Thank you again for your continued support.

Financial Assistance Program

The Financial Assistance Program (FAP) was established in 2008 to provide emergency monetary assistance to cancer patients who are in financial crisis due to a cancer diagnosis. The FAP is the CFNEGA'S only program, helping cancer patients with basic life needs such as rent, mortgage, utilities, nutrition, medication, durable medical equipment, insurance premiums, and insurance co-payments. The CFNEGA pays the creditor owed, with the goal of providing assistance within 24 hours.

We proudly serve Barrow, Clarke, Elbert, Greene, Jackson, Madison, Morgan, Oconee, Oglethorpe, and Walton counties.

“The Cancer Foundation of Northeast Georgia was wonderful. They helped us in every way imaginable. The Cancer Foundation of Northeast Georgia was great to us!” Dewey P.

The North Georgia Jaycees (Junior Chamber of Commerce Chapter) held a benefit concert on behalf of the Cancer Foundation of Northeast Georgia. The event featured Barrelamonkeys, Whimsical Mimbsical, and Josh Melton at the Caledonia lounge. The concert also featured karaoke with the bands. The benefit concert raised \$500 with all of the proceeds donated to the foundation!

“My husband and I put off getting help because we don't like to ask for help and we thought it was going to be a long involved process with credit reports, bills from the last six months, birth certificates and everything. But the foundation just was not like that. It was so easy and fast. The program took such a load off our minds. It helped us a great deal. I don't know what we would've done without the Cancer Foundation of Northeast Georgia!” - Donna W.
